

Advanced Workshop on Cosmological Structures from Reionization to Galaxies: Combining Efforts from Analytical and Numerical Methods | (smr 2731)

Contribution ID : 48

Type : **not specified**

Inferring past and present cosmic structures from observations

Thursday, 14 May 2015 14:30 (0:20)

Content

Summary

Presenter(s) : JASCHE, Jens (TU Muenchen, Excellence Cluster Universe, Munich, Germany)

Session Classification : Afternoon Session
