# Joint ICTP-IAEA School on “Nuclear Data Measurements for Science and Applications” | (smr 2741)

## Wednesday 21 October 2015

### - Adriatico Guest House - Giambiagi Lecture Hall (09:00-17:30)

time	title	presenter
09:00	DDX measurement for charge particle production reaction by gridded ionization chamber	TOSHIYA SANAMI
10:30	Coffee Break	
11:00	Bragg Curve Counter at low and intermediate energies	TOSHIYA SANAMI
12:30	LUNCH	
14:00	Principles of TOF measurements of total and partial cross sections	C. PARADELA DOBARRO AND J. HEYSE
15:30	Coffee Break	
16:00	Evaluation of uncertainties and correlations associated with experimental data covariances, least squares fitting	PETER SCHILLEBEECKX
